TOTAL:	17	

The **Certificate of Applied Science in Patient Care Technician**

prepares a student for employment as a Patient Care Technician (PCT) or to choose a pathway for entry into the nursing program. The PCT works alongside other health care professionals to provide hands on assistance to meet patients' basic needs.

FIELD/CLINICAL COURSE:

These courses have a clinical component that require a background check on admission, drug testing, active CPR card, and current immunizations.

CERTIFICATION: Successful

completion of the program prepares the graduate to sit for the national certification exam for Patient Care Technician. The graduate will also be eligible to sit for the Phlebotomy Technician Certification and EKG Technician Certification.

Students should average 15 credit hours per semester, or 30 per year, to graduate on time.
