The Associate of Applied Science in Criminal Justice covers various aspects of crime prevention, police and law enforcement functions, criminal law and the courts, the corrections system, and the root

causes of crime. The program provides a basic understanding of the criminal justice system and the skills needed to pursue further education and work in policing, courts, corrections, and related fields.

#### **MILESTONE COURSE:**

These courses are the keys to graduation. Courses should be taken in the recommended semesters to stay on time for

#### **CAREER PLANNING:**

As you prepare for your last year before graduation, visit Career Services to write your resume, plan your job search, and learn how to

have a successful interview. Students interested in the BAS in Criminal Justice should apply for the program in their final semester of the AAS CJ program.

#### **CAPSTONE COURSE:**

This semester-long project prepares you for the workforce by perfecting your resume, assessing student learning outcomes, and

preparing a portfolio of student work.

Students should average 15 credit hours per semester, or 30 per year, to graduate on time.
