Summer 2015 Application for Financial Aid

Summer financial aid is processed based on your 2014-2015 FAFSA. If you received financial aid in the Fall 2014 or Spring 2015 semester, you have already filled it out. Make sure that you fill out your 2015-2016 FAFSA for the upcoming Fall 2015 semester!

Name: ___________________________ WVUP ID# _________________________

I plan to register for _____ credit hours for the summer semester.

My courses are all in one single 4-week term: (Circle one) YES NO

IMPORTANT: STUDENTS MAY NOT CHARGE AGAINST FINANCIAL AID IN THE BOOKSTORE FOR THE SUMMER SEMESTER.

Important Student Loan Information

- You must have a minimum of 6 credit hours to be eligible for student loans in a semester.
- Your enrollment period for the summer term must be longer than 30 days (one 4-week term is not long enough).
- Summer student loans will be divided into two equal disbursements; one at the beginning of your term and one near your midterm. (“Your term” starts when you start class, not necessarily the same as the first day of the summer term.)

Summer financial aid awards are subject to change and/or cancellation based on several circumstances, including but not limited to:

- Borrowing your annual loan limit for the year prior to the beginning of the summer semester
- Change in academic progress status (from eligible to ineligible for example)
- A drop in grade point average (some funds require a minimum grade point average)
- Change in credit hours (Some funds are only for full-time students, and some are only for part-time students. A change in your original schedule can make a big impact on your financial aid award.)

I understand that this form does not guarantee that I am going to receive financial aid for the Summer 2015 semester, and that if I am currently enrolled, this award may be void if I do not make satisfactory academic progress when we evaluate at the end of the Spring 2015 semester.
