

Basic Gmail Web Client Navigation:

The image shows a screenshot of the Gmail web client interface with several key elements highlighted by colored boxes and lines pointing to descriptive text labels:

- Search email:** A purple box highlights the search bar at the top, which contains the text "Search all conversations".
- APPS:** A red box highlights the application launcher icon (a 3x3 grid of dots) in the top right corner.
- User Info:** A yellow box highlights the user profile area in the top right, showing the user's name "Jane Doe" and email address "jdoe@wvup.edu".
- Number of UNREAD messages in Inbox:** A green box highlights the number "39" next to the "Inbox" label in the left sidebar.
- Create an email:** A blue box highlights the "Compose" icon (a red pencil) in the top left of the main content area.
- Apps Grid:** A large red box highlights the grid of application icons in the bottom right, including Account, My Business, Gmail, Drive, Docs, Sheets, Slides, Calendar, Chat, Meet, Sites, and Contacts.
- WVUP Email Address:** A white box with a blue border highlights the email address "jdoe@wvup.edu" in the user profile area.

Other visible elements in the interface include the Gmail logo, a hamburger menu, a "Mail" sidebar with categories like "Inbox", "Starred", "Snoozed", "Important", and "Sent", and a "Manage your Google Account" button.
