The **Bachelor of Applied Science in Business Administration with a concentration in Accounting and Financial Management (BASBA AFM)** prepares graduates for

working in a private or public accounting firm or in a government accounting office.

MILESTONE COURSE:

These courses are the keys to graduation. Courses should be taken in the recommended semesters to stay on time for

completion.

CAREER PLANNING:

During the fourth semester of the AAS degree, students interested in the BAS should apply for the program in their final semester of the AAS program.

the AAS program.

CAPSTONE COURSE:

The capstone is a semester-long capstone project that prepares you for the workforce by perfecting your resume, assessing student

learning outcomes, and preparing a portfolio of student work.

ELECTIVES:

Lower division electives may be chosen from courses with the following pre-fixes: ACCT, BTEC, ECON, ENT, GBUS, MGMT, MKTG, or CMS 117,

217, 230. Upper division business electives may be chosen from courses with the following pre-fixes: ACCT, BTEC, ECON, ENT, FIN, GBUS, MGMT, MKTG or STEM 420. See your advisor for recommendations on selection of elective hours.
